# FARMERS NOTICE

Published in connection with agricultural extension work carried on by co-operation of the College of Agriculture, University of Kentucky, with the U. S. Department of Agriculture, and distributed in furtherance of the work provided for in the Act of Congress of May 8, 1914.

## Have You Any Live

## Stock To Sell?

## Do You Need To Buy

## Any Live Stock?

The College of Agriculture of the University of Kentucky, Lexington, Ky., operates a

## Free Live Stock Exchange.

This service puts prospective buyers and sellers into communication with each other. All classes and breeds of registered and grade live stock are handled

To do its best service, this exchange must deal with large numbers of people so that you can do yourself and others a service by conducting your business through this exchange whose services are absolutely free.
